These machines are of the famous
McCormick build and are so con-
structed as to cut large areas of
grain. They will easily do four times
the work the ordinary binder will do.
This machine is built for the exact-
ing and practical farmer who de-
mands a machine of extreme dura-
bility, is easily operated and one in
which he can place absolute depend-
ence. The McCormick Header
operates with a minimum amount of
power and is easily controlled. Come
in and see these Headers.
